ANSWERED PRAYER!

We were blessed with a \$16,000 donation from Gloria Dei Lutheran Church in NJ that we were able to use along with other donations to purchase our bunny van! This vehicle has been an incredible addition for allowing us to be much more efficient with our visits and transport volunteers, bunnies, and equipment together. This was an answered prayer!

FUTURE PROJECTS:

We are saving for a \$3,200 vehicle wrap for our bunny van so we can spread joy as we make visits, and we can't wait to see the finished product! We are also working on completing an outdoor play area for the bunnies where people can spend time with them outside for therapy and enjoyment.

BUNNY NEWS:

We added a new bunny named Scruffy that everyone absolutely adores despite his tendency toward mischief. He keeps our volunteers and visitors smiling and laughing. We also added a gray Holland Lop named Lennon to be a friend for Molly. Sadly Charlie, our Netherland Dwarf, has been diagnosed with untreatable cancer and is currently stable with palliative meds and getting tons of love. Thanks to your donations, ALL bunnies are receiving exotic vet well-checks and vaccinations for a total of over \$1200.

In March, April, and May...

ADOPT A BUNNY!

Our newest program allows our supporters to symbolically adopt the bunny of their choice and help provide bunny care, nutrition, enrichment activities, vet care, and more. Visit our website bunnyblessings.com under the GIVE tab to learn more about this fun program.

GROWING PAINS

Our growth in recent months has been absolutely amazing as God has opened so many doors, and we want to walk through them! As our donations and sponsors grow, we hope to be able to hire someone part-time to help with our growing administrative needs so we can say, "YES!" to more and more people who want to be blessed by our ministry.

A BIG THANK YOU TO ALL OUR FRIENDS AND DONORS FOR SUPPORTING OUR MISSION TO LOVE ONE ANOTHER! YOU KEEP US HOPPING!
